What is CLAT ?

- The Common Law Admission Test (CLAT) is a national level entrance exam for admissions to **UG** and **PG** law programmes offered by **National Law Universities (NLUs)** in India.
- NLUs were created on the pattern of IIMs and IITs. NLUs have changed the face of legal education in India. Infact, **India**, is the only country in the world which has Universities for legal discipline alone.
- Today, we have **24 NLUs** out of which **23 are admitting** students through **Common Law Admission Test (CLAT)** (NLU, Delhi having its own separate test).
- **NLU Delhi**, stands apart by conducting its admission test, the **All India Law Entrance Test (AILET)**.

Why CLAT ?

- Admission to Top Law Schools like NLUs
- **Career in Law:** Many individuals have a passion for law and aspire to become successful **lawyers, judges, legal advisors, or legal consultants**. CLAT is the first step towards realizing this career goal by providing access to quality legal education.
- A law degree opens up a wide range of opportunities in various sectors such as **corporate law, litigation, academia, public service, international law, etc.** CLAT paves the way for exploring these diverse career paths.
- To create social impact and contribute positively to society by advocating for legal rights, social justice, and equality under the law.
- CLAT opens doors to well-paying jobs in law firms, corporate houses, government agencies, and other sectors.
